### **Pre Sedation Instructions**

1. Do not eat eight hours prior to your appointment. Do not drink fluids four hours prior to your appointment.
2. Please take your usual medications. Please contact the office at (905) 318-4330 if you are diabetic and take insulin for questions regarding fasting.
3. Please arrange to arrive at the office at least 5 minutes prior to your appointment. You must be escorted by an adult who will transport you home, as you will not be released to public transportation. Please be advised it is the policy of our office to have your escort remain in our office for the duration of your appointment.
4. Do not wear any make-up, lipstick, necklaces, rings or other jewelry of any kind. Please remove contact lenses.
5. Do not wear any finger nail polish.
6. Wear loose comfortable clothing without a tight collar and preferably with short sleeves.
7. Should you develop a cold, flu, sore throat or other illness of any kind, your appointment should be cancelled and rescheduled at a time when you are more physically fit.
8. Please understand that the above instructions are to ensure that your health, comfort and safety are of prime importance.
9. **Two weeks' notice is required to reschedule all sedation surgeries.**
